\*One bag per cabin per cruise \*\*When the itinerary allows \*\*\*One category upgrade apply to categories M-F and A-D (ie excluding E-to-0). Upgrades are not guaranteed and will strictly be offered subject to availability and in accordance with the ship's capacity. Applicable guests will be selected no more than 90 days prior to travel, based on the number of days at sea travelled, date booked, fare and cabin grade booked, and the availability of higher grade cabins. Upgrades do not apply to Friends & Family, reduced rate (including agents) or escort/host fares.

The Emerald Tier level is the only tier that is eligible the upgrade incentive. It is important to note there are many caveats to this. Odyssey Club members are not able to insist the complimentary upgrade.

It is important to note, upgrades are offered based on availability and the following conditions:

- \* Upgrades are not guaranteed
- \* Upgrades will be considered no more than 90 days prior to sailing
- \* VTA will contact the appropriate guest with the upgrade details
- \* It should not be assumed that all guests will receive an upgrade. To ensure fairness amongst all OC members, there is a policy/procedure in place for upgrade offers
- \* Upgrades will be offered based on the current OC tier status, how many days at sea travelled, current category booked and available cabin upgrade
- \* No upgrades will be given between Category D-E cabins
- \* Upgrades do not apply to Friends & Family, reduced rate (including agents) or escort/host fares
- \* On some occasions, only a few of the very top tier OC Members will be offered upgrades
- \* If cruises are sold out, no upgrades will be offered
- \* Each upgrade process will be carefully managed availability
