Meet *the Ships*

We're proud to create this distinct blend of vacation flavors and, most importantly, share it with you! Your chance to join us starts in spring 2023 with sailings from New York and Los Angeles in 2024.

CARNIVAL VENEZIA™ SAILING SPRING 2023 FROM NEW YORK

The moment you step onboard Carnival Venezia™, you'll be transported to Italy thanks to the ship's breathtaking atrium, modeled after Venice's main public square, the Piazza San Marco. Your fun Italian style vacation continues as you indulge in classic Italian dishes, fun street food, and unique fusions you haven't had before, like the pepperoni pizza burger at Guy's Burger Joint™ and "mexitalian" dishes at Tomodoro. Sip spritzes, bellinis, Italian beers and fine wines at new bars like the Alchemy-inspired Amari, the Gondola Lounge and Rococó. Other bellissimo features include the Teatro Rosso, the backdrop for popular Carnival entertainment.

CARNIVAL FIRENZE™ SAILING IN 2024 FROM LOS ANGELES

Just like her sister ship, Carnival Firenze™ will also carry a stunning Italian-style experience with unique Italian design, cuisine, and themed events along with all the fun and entertainment that is always at the heart of your Carnival cruise vacations. Stay tuned for more details!
