

# EVERYBODY'S UNIQUE, EVERYBODY'S FUN

**THAT'S WHY WE CELEBRATE INCLUSIVITY  
ON ABSOLUTELY EVERY CRUISE, ALL YEAR!**

Carnival was founded on the belief that cruise vacations should be accessible for everyone. To further expand our heartfelt commitment to acceptance and inclusivity, we partnered with KultureCity, a leading nonprofit organization dedicated to accessibility and inclusion for individuals with sensory needs and invisible disabilities. By working together, all of our guests can be the truest versions of themselves onboard a Carnival cruise ship.

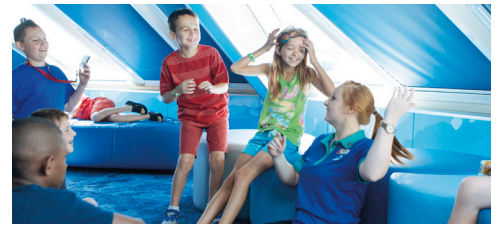

**Carnival is the first cruise operator to be certified "sensory inclusive" by KultureCity**

## FLEET-WIDE TRAINING

As part of the program, all of Carnival's guest-facing crew have been trained to understand and help guests with sensory/cognitive needs. Our Guest Services and Youth Staff are ready to assist adults, youth and children with sensory-related questions or issues relating to conditions such as Autism, ADHD, Down Syndrome, PTSD, etc.

## KULTURECITY SENSORY BAGS

Carnival is proud to offer KultureCity sensory bags that can be checked out on a complimentary basis for the duration of the cruise containing items to help calm, relax and manage sensory overload. Items include:

- Comfortable noise cancelling headphones.
- Fidget toys.
- Visual feeling thermometer.
- KultureCity VIP lanyard to help staff easily identify guests.

## IBCCES CERTIFICATION

Carnival is the first cruise operator to complete an additional special needs certification program offered by the International Board of Credentialing and Continuing Education Standards (IBCCES). The program includes 17 continuing education units (CEUs) of training in a variety of special needs, such as Autism, Down Syndrome and mobility issues. Additionally, Carnival's youth staff have different resources to help soothe, calm and entertain children participating in our youth programs.

**If a guest with a sensory or cognitive need is cruising, the family should meet with Guest Services once they are on board to discuss any special accommodations, including a private safety briefing.**
