

- 1. Alaska's Only Indigenous-Owned Cruise Line:** Support an authentic, family-owned Alaska experience. Our company's founders and owner are Alaska Native of the Tlingit tribe and have a deep understanding of the land and its people. That means curated itineraries designed to get off the beaten path, explore Alaska's hidden gems, and experience "True Alaska." The Alaskan Dream Cruises brand was launched in 2011, but we've been providing award-winning marine tours in Southeast Alaska for over 50 years!
- 2. Preeminent Wildlife Viewing:** Witness spectacular wildlife encounters in Alaska's most renowned wildlife habitats, home to humpback whales, orcas, sea lions, mountain goats, brown and black bears, eagles, and more! Our long history and extensive operations in Southeast Alaska give us invaluable insight into wildlife hotspots and patterns.
- 3. Remarkable Glacial Fjords:** Cruise through stunning glacial fjords, home to awe-inspiring tidewater glaciers, towering cliffs, pristine waterfalls, and shimmering icebergs.
- 4. Small Ships & Expedition Craft:** Our vessels are small and nimble (and carry just 40- to 80-passengers), which means you'll venture into places few Alaska travelers have a chance to experience. To make the expedition even more exciting and immersive, each ship carries rigid-hulled ocean inflatables, which afford easy access to remote shorelines and are fantastic platforms for wildlife viewing and adventures in glacial fjords. In addition, all vessels carry kayaks. To ensure guests of all skill levels can enjoy this exciting activity we've designed custom-built kayak launchers for easy and safe loading and unloading.
- 5. Knowledgeable Expedition Leaders & Guides:** Throughout each journey, you'll learn about Alaska's history, culture, and environment from our knowledgeable guide staff. Their passion for Alaska is contagious, and you'll find yourself captivated by the insights and understanding they bring to every adventure.
- 6. Sustainable, Alaska Cuisine:** Our culinary program is aimed at capturing the essence of Alaska and showcases locally sourced ingredients. We proudly place a strong emphasis on Alaska cuisine, featuring dishes like line-caught salmon, halibut, rockfish, crab, and more. For non-seafood fans, meals also include "turf" and vegetarian options. You won't find buffet lines aboard our ships. Instead, savor sit-down, full-service meals at breakfast, lunch, and dinner as you taste Alaska, one bite at a time.
- 7. Alaska Native Villages and Exclusive Partnership:** Experience the inspiring way the Indigenous people of Alaska are connected to the land and sea during a port stop to an Alaska Native village (featured on most itineraries). In fact, we have an exclusive partnership to visit the Alaska Native village of Kasaan!
- 8. Remote Beach Campfire Experience:** Connect with nature and enjoy a unique Alaskan tradition as you lounge by a campfire and roast s'mores at a secluded beach.
- 9. Exclusive Lodge Evening:** Savor an authentic Alaska feast at either Fin Island Lodge or Orca Point Lodge—both of which are nestled amidst breathtaking scenery.
- 10. Uniquely Alaskan Onboard Experience:** From Alaskan-made soaps and shampoos in your stateroom, to jams and jellies at mealtimes, to Alaskan-brewed beers and spirits at our bars, you'll experience *True Alaska* on every step of your journey.

BONUS! Seamless Transportation: Enjoy complimentary airport or hotel transfers on the day before embarkation, the day of embarkation, and on the day your sailing ends.
