

AQUA EXPEDITIONS

Luxury sailing in Cambodia & Vietnam

A magnificent presence on the Mekong river, Aqua Mekong showcases modern architecture and interiors by renowned architect Noor Design.

As part of a fleet which was named the World's Best River Cruise Line by Travel + Leisure in 2023, the Mekong river cruise ship's 20 spacious, air-conditioned suites feature full-length windows that offer spectacular panoramas of the ever-changing scenery.

As the Aqua Mekong charts a luxurious passage across Cambodia and Vietnam, onboard guests embark on an inspiring journey of local flavours with a dining experience crafted by Michelin-starred consulting chef David Thompson. The ship's bar menu, created by renowned spirit experts and cocktail designers Proof & Co, echoes a similar locally-minded philosophy.

Aqua Mekong guarantees utmost safety, comfort, and exclusivity for off-shore excursions, featuring the only private fleet of tender boats on the Mekong river. The four tenders bring guests on highly personalised day trips to explore the Mekong Delta. Enjoy twice-daily excursions to landmarks, temples, and villages, discovering local culture and traditions along the way.
