# EXPERIENCE ALASKA AND JAPAN WITH WINDSTAR

Star Seeker's inaugural season will begin in the Caribbean, where several Windstar yachts will come together in celebration. Then, the ship will then cross the Panama Canal toward Alaska, where it will sail from May to August before heading across the Pacific to Japan. Here are some of the highlights guests can expect:

## ALASKA

- Get closer to must-see attractions like Kenai, Misty and Tracy Arm Fjords.
- Embark on kayak and RIB boat Signature Expeditions directly from the ship.
- Get access to local Alaskan guides that sail on board, leading expeditions and answering questions about our destinations.
- Combine your cruise with a 5-day inland tour through the heart of Denali National Park, keeping an eye out for moose, sheep, caribou and grizzly bears.

## JAPAN

- Enjoy scenic cruising of the gorgeous Inland Sea.
- Sail around the abandoned island of Hashima, near Nagasaki, and visit the Peace Memorial Parks of Nagasaki and Hiroshima.
- Call on smaller ports like Takamatsu and Karatsu — home to a famous Japanese garden and the awe-inspiring Karatsu Castle.
- Combine your cruise with a 3-day inland exploration of Osaka and Kyoto, visiting Osaka Castle, Nijo Castle, the Golden Pavilion and more.
