

THIS IS THE PERFECT SHIP.

NO, THIS IS THE PERFECT SHIP.

THE RIGHT SHIP FOR THE RIGHT JOURNEY. PERFECT.

Windstar was voted the World’s Best mid-size ship ocean cruise line by the readers of *Travel + Leisure* in 2018. Our fleet of small ships carry between 148-310 guests. So, wherever you go, you can slip past the crowds to discover smaller ports and get to know the local culture on more intimate excursions. We offer two different ship styles, and design journeys that highlight their unique attributes, whether that might be island hopping in Tahiti or sailing through the Norwegian Fjords.

THE STAR CLASS – Three identical, all-suite cruise ships with expansive interiors, perfect for island hops or longer journeys

Settle in and prepare to feel pampered. Expansive, impeccably appointed ocean view suites with balconies make the Star Class the best way to explore parts of the world in any type of weather when there’s more distance between ports.

All ocean view suites

Stretch out in what is considered a very large suite by cruising standards at 277+ square feet. Relax in the stylish comfort of your exquisite private quarters while taking in expansive ocean views from a picture window or French balcony.

The comfort of home

Every aspect of your suite is designed to enhance your journey. You’ll enjoy a comfortable queen bed that can be turned into twin beds, luxurious white marble bathroom, and a walk-in closet for your belongings.

Any destination, any climate

In nice weather, enjoy alfresco dining and breathtaking views on the ample outdoor deck. As evening approaches, retreat to beautiful indoor spaces and enjoy the view outside from floor-to-ceiling windows.

Fewer guests, more space

Carrying just 212 guests, these small, yet spacious ships let you truly experience the personalized approach Windstar is famous for. With ample room to stretch out, these ships offer beautiful open spaces with a lounge and theater for chefs’ demos, plus the popular Star Bar.

THE WIND CLASS – Sleek sailing ships, perfect for warm weather adventures

Depart from the everyday on a truly yacht-like experience. An abundance of wide open decks and elegant outdoor spaces to take in stunning coastlines make the Wind Class a perfect way to experience warm seas and tropical breezes.

Ocean view staterooms

The Wind Class boasts gracious ocean view staterooms with queen beds and roomy showers with massage shower heads. Beautifully appointed with seascape colors and gorgeous artwork, it’s more than a room, it’s a luxurious personal retreat.

The flying bridge

An unforgettable highlight of the Wind Class journey is to experience the flying bridge. This deck is designed in the style of a traditional unsheltered navigation point. You can relax on deck chairs next to a captain’s wheel while taking in the ships’ sails and views of the sea and shoreline from above it all. Don’t forget to snap some pics. This is a one-of-a-kind photo op.

Wind Surf

This is Windstar’s flagship sailing ship and the world’s largest sailing vessel. Offering a yacht-like experience, it carries 310 guests, has six decks, yet is still small enough to dock in the world’s smallest ports. *Wind Surf* features the most beautiful public spaces at sea, including an additional restaurant, *Stella Bistro*, which whips up French cuisine. You can book an ocean view stateroom or ocean view suite.

Wind Star and Wind Spirit

These two sailing ships capture the essence of small ship sailing, each carrying just 148 guests. They feature wide open teak decks with plenty of nooks for private moments, making it feel like you’re on your private veranda. These ships were made to pull into secret lagoons and dock at secluded beaches.

WHAT ALL OUR SHIPS HAVE IN COMMON IS NOT COMMON AT ALL.

Made for relaxation, our ships boast ample decks and a water sports platform that lets you dive right into the ocean from the ship. All staterooms and suites offer ocean views in casual, elegant style. Special touches such as L’Occitane bath products, and waffle-weave robes and slippers turn your room into a private oasis. With three world-class restaurants, *Amphora*, *Veranda* and *Candles*, and the most personalized service at sea, you have everything you need right on board.
