

Pre-Cruise Information

Dear Valued Guests,

It's not long now until you set-sail with us onboard Aegean Odyssey.

This is a friendly reminder that your Guest Registration needs to be completed online, if you haven't already done so. Please take a moment to visit our website at www.voyagestoantiquity.com and click on "Already Booked" at the top of the homepage. If you have sailed with us before, review all your information and check that it is still valid and up-to-date. Please note that this facility closes at **55** days prior to departure.

We ask you to pay particular attention to the Visa, Health & Passport requirements. All passports must be valid for a minimum of 6 months prior to embarkation. It is the responsibility of each guest to ensure that any official travel documentation that is required is obtained prior to travel. Voyages to Antiquity cannot be held responsible for any guest that does not have a valid passport or the applicable visas and health documentation. We recommend that you contact your travel agent to check that you have all the applicable travel documentation required prior to departing Australia.

Once in the "Already Booked" section under "Update Passenger Information", you will need to supply the following information:

- ❖ Full Passport Details
- ❖ Guest Contact Details
- ❖ Emergency Contact Information
- ❖ Travel Insurance Policy Details

Final documents can only be released once this information has been completed.

If you have any special dietary requests, medical information, or you would like to inform us that you're travelling with other guests, please contact your travel agent or e-mail us at info@vta.net.au or info@vta.net.nz.

If your voyage includes our complimentary airport transfers (as per the published itinerary), please take this opportunity to check that your travel agent has provided us with your flight information for both pre and post cruise transfers, if applicable.

Your Final Cruise Documents, mailed between 30-21 days prior to cruise departures, will include the Cruise Guide for your sailing. In the meantime, we invite you to review the planned trips by viewing the booklet online via the "Already Booked" section.

Thank you for choosing Voyages to Antiquity. We wish you an enjoyable journey.
