

AQUA EXPEDITIONS

LUXURY RIVER & YACHT CRUISES

IFRAME PARTNER GUIDE

A man with short, dark hair and a light complexion is seated on a dark, modern-style sofa. He is wearing a light grey blazer over a blue and white checkered button-down shirt. A dark blue patterned pocket square is visible in his jacket. He is gesturing with both hands, palms facing up, as if in the middle of a conversation or presentation. The background is softly blurred, showing what appears to be an interior space with warm lighting.

Established by Francesco Galli Zugaro
in 2007, Aqua Expeditions has become
a leader in luxury small river cruises.

An aerial photograph of the Aqua Blu expedition ship, a white vessel with a black hull, sailing on a deep blue ocean. The ship features a large deck with white lounge furniture, a small pool, and various equipment. The name 'AQUA BLU' is visible on the side. A semi-transparent black box is overlaid on the lower half of the image, containing white text.

With the expansion into coastal yacht expeditions, the doubling of its fleet and a new destination, Aqua Expeditions is strengthening its global market presence in 2019.

PERUVIAN AMAZON

Discover the most biodiverse rainforest and river system on Earth

Pacu offers explores the most direct and accessible path to the heart of the Amazon, Iquitos in highland Peru, where the Ayacucho sits, is just a two-hour flight from the capital and international air hub of Lima and the archaeological treasure trove of Cochin. Surrounded by lush Amazonian territory—a region comprising the head of the Amazon River and the Pacaya-Samiria National Reserve, here the upper Amazon waters are low in sediment and rich in aquatic life, with an astonishing concentration of wildlife on land.
