Each Crystal Endeavor itinerary balances Nights at sea with scheduled ports of call, and is intentionally designed to be flexible, allowing the Captain and his team of experts to incorporate unplanned "expedition Nights" when favourable weather conditions invite the opportunity for uncommon discovery. The Expedition Team will maintain a keen eye so that if an opportunity arises and conditions allow, the Captain will attempt to position the vessel accordingly. The order of expedition calls/stops and/or itineraries may change due to weather/sea conditions or permit specifications.
