FLIGHTSEEING ON *ULTRAMARINE*

While polar landscapes are spectacular from the sea, they're even more stunning from the air while seated in one of *Ultramarine's* two twin-engine helicopters. You will experience an unforgettable aerial tour of the Antarctic during a 10-to 15-minute flightseeing excursion that's included in the voyage. Additional helicopter activities may also be available for purchase onboard. Please note: all helicopter operations are weather- and logistics-dependent.

INCLUDED | ONLY AVAILABLE ONBOARD *ULTRAMARINE*

EXCLUSIVE HELI-LANDING

Imagine setting foot in an area of the Antarctic that can only be safely accessed by helicopter. Traveling in groups of 12 with no more than 4 groups (48 guests) at a time and expert guides, you'll board one of *Ultramarine's* two twin-engine helicopters to soar off to an exclusive polar site where no ships can navigate. Expect stunning bird's-eye views during your flight, and then, upon arrival, simply sit back, relax and take in the splendor of the Antarctic from "the best seat in the house": glacial amphitheaters, breath-taking summits, and more.

ALPINE HELI-TREKKING

Let us take you on an active adventure high up in the Antarctic Peninsula. You'll be part of an intimate group of adventurers to board one of *Ultramarine's* two twin-engine helicopters for a trekking excursion in an area only safely accessed by air. The helicopter flight alone rewards guests with unforgettable views. On land, during an invigorating walk, hike or snowshoe trek (depending on conditions), you'll be rewarded with equally stunning views of remote ridgelines, glaciated terrain, and snow-topped peaks.
