

THIS IS ROTTERDAM

Premiere Season Begins August 2021

OUR NEWEST SHIP IS READY FOR BOOKING

In honour of some of the most memorable ships in our history, we're changing the name of our new Pinnacle-class ship from *Ryndam* to *Rotterdam*. Reflecting nearly 150 years of seafaring expertise, *Rotterdam* hits all the right notes: exquisite dining experiences, enhanced staterooms and suites and the finest service at sea. At the heart of it all is Music Walk®: an exclusive collection of five venues featuring electrifying live performances from accomplished musicians, dancers and artists.

THIS IS THE NEW SOUND OF CRUISING

- The full **Music Walk™** experience, with live music across five stages at B.B. King's Blues Club, Lincoln Center Stage, Billboard Onboard, Rolling Stone Rock Room and World Stage
- A striking central sculpture in the **Atrium**, inspired by the rhythmic, structural elements of musical instruments

THIS IS THE NEW TASTE OF PERFECTION

- **Rudi's Sel de Mer**: the award-winning intimate French Brasserie is an event to anticipate and features a menu of fresh seafood and classic French dishes
- Experience the flavors of the Far East while dining at **Tamarind** or **Nami Sushi**
- A new dedicated space for our **Club Orange** program, including an 86-seat restaurant and private bar and lounge

THIS IS THE NEW TAKE ON GLOBETROTTING

- The complete **Explorations Central®** experience in the Crow's Nest with interactive touchscreens, digital stories and real-time data from the ship's bridge, as well as access to destination experts, activities and cultural encounters
- **Port to Table** programs that delve into each region's culinary traditions through onboard cooking demonstrations, and food and wine tastings.
