Spa

This ship will be more than just a ship—it will be an unrivaled operational base for polar expeditions. Our guests travel with Quark Expeditions to maximize their expedition experience, push their boundaries and experience the magic of the Polar Regions. With this new ship, in the hands of the most experienced expedition team in the industry, we will get you off the ship and into nature

*further, faster and safer than ever before.*

“

*Andrew White —President, Quark Expeditions*

Help your clients go beyond the familiar in polar exploration, discover unforgettable places, engage with nature in ways never imagined, and return home knowing they've experienced the ultimate in polar exploration.

### TWO TWIN-ENGINE HELICOPTERS

Ultramarine's dual helicopters will bring your clients to new destinations only accessible by air, enjoying epic aerial views of the breathtaking polar landscapes along the way.

### WATER-LEVEL ZODIAC HANGAR

A unique zodiac hanger design with 20 quick-deploy Zodiacs accessible from two Ready Rooms will get your clients off the ship and experiencing more of the unplanned, unforgettable adventures that nature bestows.

### SMART TECHNOLOGY

High-definition, large-screen projectors in the lecture theater, real-time translation services, and enhanced connectivity ensure your clients get the most out of their polar expedition—regardless of their native language.

### MINIMAL ENVIRONMENTAL FOOTPRINT

Your clients can enjoy all this and more travelling on a vessel whose pioneering mix of advanced sustainability features have reduced its environmental impact to an extent unseen for a polar vessel of its size.

### BRAND NEW ADVENTURE OPTIONS

In addition to what is already the broadest portfolio of adventure options in the industry, Quark Expeditions will offer even more exciting off-ship activities with Ultramarine, including newly developed and exclusive heli-hiking, heli-landing, flightseeing, alpine kayaking, a Greenland camp experience, mountain biking, and an ice sheet experience.
