PANDAW'S NEW COMBO EXPEDITIONS

PANDAW IS EXCITED TO ANNOUNCE THE NEW COMBINATION ITINERARIES

Explore the rivers of Southeast Asia and India in more depth with uninterrupted back-to-back expeditions on our distinctive ships.

Thoroughly explore Burma by combining some remote rivers such as the Chindwin River or the Irrawaddy delta, with a coastal expedition through the Mergui Archipelago. Or experience four countries by adding a Red River cruise in North Vietnam to a voyage along the upper Mekong through Laos, Thailand and Burma. Pandaw has recently launched India and we are excited to offer you a combination of the lower Ganges and the Brahmaputra in Assam.

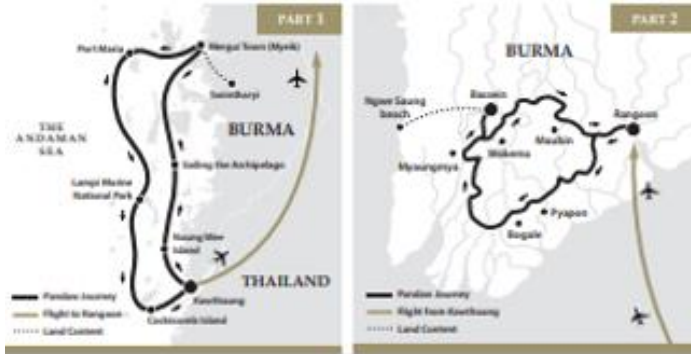

All seven combo expeditions from 15 to 21 nights include flights and hotels in between where necessary.

Join Pandaw in an exciting new adventure in Southeast Asia and India.
